

PROFOUND Medical inc.

Mathew Asselin (Hardware/Firmware Developer) picks up the pace just before the finish.

Kee Tang (Software Developer) & Nicole Baker (Quality & Project Manager) hydrate post-race.

James & Stephen from Research relax with Kee & Nicole from Development after the race.

* It should be noted that the CEO was the only team member not to do the run, even after organising it. He is suitably ashamed, but hopes to save face later in the year.
